DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1, 8, 21 and 23 are allowed. The prior art discloses a network system with plurality of nodes configured to negotiate with one or more nodes for a communication link in the face of outbound congestion between the subject nodes of interest.

The prior art however fails to disclose or fairly suggest a node configured to negotiate for one or more voice channels to accommodate high priority calls based upon selected compression algorithms.

Claim 16 is allowed. The prior art discloses a network system with plurality of nodes configured to negotiate with one or more nodes for a communication link in the face of outbound congestion between the subject nodes of interest.

The prior art however fails to disclose or fairly suggest a node configured to negotiate for one or more voice channels supporting dynamic negotiations comprising of compression algorithms supported by multiple codec resources.
